

Artistic inspiration: Creative Ways to Inspire One's Artistic Practice

Kate Leslie

Inspiration

- What do you find inspiring?
- How do you capture and express that?

Where to find Inspiration?

- Find a space to create.
- Go to art exhibitions.
- Join an art class or community group.
- Look at art books, photography books, story books.
- Join art associations

Visual Diary

- Collect what you love
- Experiment with color
- Collect samples
- Draw
- Explore and Experiment.
- Write down ideas

Follow what you love

- Explore different mediums and artistic approaches
- Look at how other artists have reacted to similar subjects

Be confident in expressing your own mark and your own view of the world!

Individual ways to inspire

Experiment with different tools and mediums.

Focused art versus playful art.

Supporting Artists

- Who supports you as an artist and how?
- What does this mean to you?
- Give yourself the time you need to create.

Celebrate your uniqueness and express it through your art.

Explore!

- Scale of your work
- The mediums and colors you are using.
- The tools you are using
- Be experimental
- Have fun

Thank you
